or until the second week of January**

Tasks for the partners from Bulgaria, Spain and Turkey

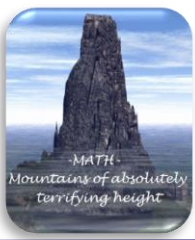

UNIVERSITÄT PADERBORN
Die Universität der Informationsgesellschaft

Until the next meeting:

- Create the videos to motivate teacher to use MATH: until end of February (the sooner the better)
- Write first ideas what should be integrated in the videos for students and the videos for parents – therefore please, take also some videos with the learners during the testing
- Ask for permission to to photos and videos during the testing of the app
- **Do the testing of the APP between the middle of January and the middle of February (with 2 or more classes)**
- Use the usability questionnaire during the testing (target group: teachers)
- Translate the students questionnaire which will be provided by UPB
- Use the students questionnaire during the testing (target group: students)
- Write a testing report (about 5 pages) and provide pictures and videos of the testing at your school
- Provide feedback on the first testing version and the handbook structure

Tasks for the partners from Bulgaria, Spain and Turkey

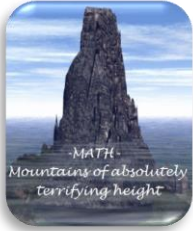

UNIVERSITÄT PADERBORN
Die Universität der Informationsgesellschaft

Next meeting:

- ADANA, Turkey
- 13th to the 15th of March 2019

Thanks!
