 - Pending issues: allocating tasks belonging to chapter P4 to spanish staff members

Current status of IO's

-4-

- IO5:
 - Searching for best-practices companies: in process
 - 1st best-practice company agreed (but COVID-19 circumstances don't help us to do the face-to-face interview)
 - 2nd best-practice company contacted and waiting for the answer
 - Pending issues: finishing 1st interview + testing EDU-VET Online Observatory + contacting more companies

Dissemination

-5-

- Only online activities due to COVID-19 (Intermittent confinements in A Coruña city and lockdown of its area)
- Only online and phone contacts with metal companies
- Pending issues:
 - Foster online activities in CIFP Someso's area of influence
 - Face-to-face meetings with metal companies to explain EDU-VET project and search for synergies
